“Quality mechanic who understood exactly what was wrong with my car straight away. Fixed it in no time and didn't over charge me like other mechanics have done in the past. I hope nothing else goes wrong with my car but I will always go back here.”

Work With the Specialists in European Car Servicing

Although we service all makes and models, at SSC Mechanics we take particular pride in servicing European cars.

Manufacturers like Porsche, Mercedes-Benz and Alfa Romeo require specialist care when it comes to their upkeep, and it takes a certain level of experience and dedication to precision to perform a professional European car service.

EUROPEAN CAR SERVICING

At SSC Mechanics, our team of specialist mechanical professionals is well versed in servicing European cars to manufacturer standards, so you can feel safe in the knowledge that your vehicle is in good hands.
